Brooksville, FL 34601

DeLand
1721 Langley Ave.
DeLand, FL 32724

TRI COUNTY METALS
Make Your Next Roof Your Last

GET STARTED

- Start by sketching a birds eye view of your roof. This can be aided by using Google Earth or similar online programs.
- Identify each part of your roof similar to the drawing below.
- Once you have drawn your roof and identified each part, measure each line and include it on the drawing.
- Include on the drawing the location of plumbing stacks (if any) and the diameter of the pipe.
