

.032 Aluminum Standing Seam Panels

COASTAL DEFENDER
paint system ®

ABOUT THIS PAINT SYSTEM

Florida's beach waters have a higher salt content than most U.S. beaches. The sea water around Florida can be a challenge for coastal homes. Within 1,500 feet of the coast, most other roofing panels aren't even covered by warranty. Our aluminum panels using our Coastal Defender paint system have a 25-year limited warranty and are perfect for coastal applications.
