MAX DEFENDER PAINT SYSTEM® WARRANTY

This limited warranty applies only to Sherwin-Williams' Max Defender Paint System® coating which is used on Tri County Metals' painted roofing and siding panels. This warranty is only good for products installed in North America.

Although it is recognized by Sherwin-Williams' and Tri County Metals that most coatings, including Max Defender Paint System® will fade and change appearance to some degree over a period of time in outdoor installations, and that such changes may not be uniform between surfaces not equally exposed, Sherwin-Williams' warrants that the Max Defender Paint System® panels covered by this warranty will conform to the performance standards listed below.

SECTION A: LIMITED WARRANTY

1. For THIRTY-FIVE YEARS (35), Sherwin-Williams' Max Defender Paint System® will not peel, flake, or otherwise lose adhesion to an extent that it is apparent on ordinary outdoor visual observation. Further, failure due to substrate issues including, but not limited to corrosion is not covered by this Limited Warranty.
2. For THIRTY YEARS (30), Roof panels will not change more than five Hunter units when measured per ASTM D 2244 on clean surfaces after removing dirt, other surface deposits and chalk per ASTM D 3964.
3. For THIRTY YEARS (30), Roof panels will not chalk more than a eight rating when measured per ASTM D 4214, Method A.

SECTION B: REMEDY

If Sherwin-Williams' Max Defender Paint System® fails to comply with the limited warranty, Sherwin-Williams will pay for labor and material reasonably necessary to repaint, repair, or replace, at their option, the metal panels exhibiting the conditions described above or refinish the defective portion of the field installation. The decision whether to replace or refinish to remedy an honored claim will be made at the sole discretion of Sherwin-Williams. This warranty also applies to the part(s) being repainted, repaired or replaced, but only for the unexpired portion of the Warranty period applicable to the original coil coated part. Sherwin-Williams SHALL NOT, UNDER ANY CIRCUMSTANCES, BE LIABLE FOR SPECIAL OR CONSEQUENTIAL DAMAGES, such as, but not limited to, damage or loss of other property or equipment, loss of profits or revenue, cost of capital, cost of purchase or replacement of other goods, or claims of customers of Purchaser for business or service interruptions.

SECTION C: LIMITED WARRANTY EXLUSIONS

This Limited Warranty does not apply to other causes of degradation, including:

1. Failures or damage resulting from under-film or edge corrosion, or failure or defects of the metal substrate.
2. Max Defender Paint System® that has been stored/installed in such a way that allows contact with animals or animal waste;
3. Harmful fumes or foreign substances in the atmosphere, or salt spray; or install on property located 1500 or fewer feet from salt water environment.
4. Max Defender Paint System® which has been damaged due to moisture entrapment in bundles during transit or storage or which has been stored or installed in such a way that allows standing water on the coating;
5. Significant differences in insulation below coated metal panel;
6. Where materials/items such as solar panels are attached/adhered to the product.
