

5V COLORS

ALL PAINT SYSTEMS REPRESENTED

From our CORE Defender, SMP formulation, to our Best-In-Class MAX and COASTAL Defender, our 5V line has all paint systems represented.

Enjoy the longevity of our CORE Defender paint on all 26 GA 5V material. Or step up the paint and panel thickness to 24 GA and enjoy the benefits of our MAX Defender paint. Or, if you are on the coast or near brackish water, you'll want that Best-In-Class paint on our 032 Aluminum panel and get the very best for your project.
