COASTAL DEFENDER paint system (PVDF ON ALUMINUM)

25 YEAR TRANSFERABLE WARRANTY

ABOUT THIS PAINT SYSTEM

Florida's beach waters have a higher salt content than most U.S. beaches. The sea water around Florida can be a challenge for coastal homes. Within 1,500 feet of the coast, most other roofing panels are not covered under warranty. Our aluminum panels, featuring the Coastal Defender paint system, include a 25-year limited warranty and are ideal for coastal applications.

Available on STANDING SEAM PANELS

1" TCM-LOK • SL-LOK • SS-LOK*

*Note: Please ask about current color availability.

- Actual color may vary from samples shown
- Actual color chips available upon request
- SR = Solar Reflectance, UV cool roof rating
- E = Emissivity, effectiveness in emitting energy as thermal radiation

CORE DEFENDER paint system

50 YEAR TRANSFERABLE WARRANTY

ABOUT THIS PAINT SYSTEM

Tri County Metals roll forms metal roofing from our CORE Defender paint system. Our CORE Defender paint system offers superior color stability, chalk resistance, fade resistance, and gloss retention.

Weathering performance of our CORE Defender paint system is proven through extensive South Florida testing to be superior to standard silicone modified polyester finishes used throughout the metal construction industry.

Available on

MAX DEFENDER paint system

50 YEAR TRANSFERABLE WARRANTY

OUR BEST-IN-CLASS PAINT SYSTEM

Our MAX Defender paint system includes a formulation that continually meets or exceeds the rigorous American Society of Testing and Materials (ASTM) performance criteria while maintaining its color and durability. Sherwin-Williams Fluorpon® coil coating systems are field-tested and time-proven to deliver enduring beauty. Each metal paint product in this family provides superior flexibility, formability, and color consistency during the manufacturing process, and is offered in a wide array of colors.
